

1. Open the image `SN17135r.0103.fits` : `gaia/home/apo/dec06/UT061215/SN17135r.0103.fits` `s9 /ho`
square pixels. (This is an estimate obtained from moving the mouse around;
I didn't see the exact size anywhere). Why do you see a vertical white line
in the main image but not in the pan window? Not sure...
